

A collage of three images related to chestnuts. The left image shows a large, mature chestnut tree with a dense canopy of green leaves and numerous white flowers in bloom, set against a clear blue sky. The middle image is a close-up of a chestnut flower cluster, showing the characteristic long, white, feathery stamens and the pale pinkish-red petals. The right image shows a pile of chestnuts, including both the smooth, reddish-brown outer husks and the lighter, textured inner shells.
