

This block contains line drawings of several archaeological artifacts. At the top left is a large, deep, bell-shaped vessel with a wide rim and a small handle on the left side. To its right are two smaller, shallow, bowl-like vessels, each with a small handle. Below these are two more shallow vessels, one with a small handle and one with a small knob. In the center is a small, rectangular object with a central knob and two small handles. At the bottom are two large, deep, bell-shaped vessels, similar to the one at the top left, but with different rim profiles. Each drawing includes a scale bar indicating 0 to 3 cm.
