

A photograph of a small, ancient stone church with a bell tower, situated on a grassy hill under a cloudy sky. A large, dark, rounded tree stands to the left of the church. The church is built from weathered stone and features a simple gabled roof. The bell tower is a square structure with two levels of arched openings, topped with a small cross. A circular window with a cross design is visible on the front facade above the arched entrance. The church is surrounded by a green field, and the sky is filled with soft, white clouds.
